

THE DUCKLING | *Arlington*

ASSOCIATE NEW MEMBERS

The Arlington Chapter has five Associate New Members for Fall 2015. This semester, we are proud of the quality of the associate members we inducted. Quality is what the Active chapter has envisioned for the future of our chapter from now on. We are not seeking the numbers right now. Our goal is if we induct only quality men, we will draw the numbers as time progresses for our chapter at UTA. We will return as the top chapter at UTA with this vision.

RANGER GAMES

The Chapter is happy to report that we made an estimated \$10,000 working the Chicken & More stand at Globe Life Park. This is how the chapter makes most of it's money to operate year round.

DUCKS FLYING AWAY

This semester we do not have any members graduating. There are two members on track to graduate in the Spring.
